Barclay et al.
U.S.S.N. 10/690,217
Page 6

REMARKS

Applicants appreciate the notification of allowable subject matter, i.e. that claim 62 and 64 would be allowable if rewritten in independent form. By amendments made herein, all the pending claims recite features of those allowed claims.

Claim 1 has been amended, claims 20, 61 and 62 have been cancelled without prejudice, and claim 65 has been added. No new matter has been added by virtue of the amendments. For instance, claim 1 has been amended to recite subject matter of former claim 62. New claim 65 corresponds to claim 64 written independent form.

Claims 1, 5, 16, 17, 20, 21, 30, 37-42, 60, 61 and 63 were rejected under 35 U.S.C. 102(e) over Barclay et al. (US 2003/0219676).

Claims 11 and 15 were rejected under 35 U.S.C. 102(e) over Barclay et al. (US 2003/0219676).

For the sake of brevity, the two rejections are addressed in combination.

It is believed the amendments made herein obviate the rejections. As discussed, all the pending claims recite subject matter indicated to be allowable.

It is believed the application is in condition for immediate allowance, which action is earnestly solicited.

Respectfully submitted,

Peter F. Corless (Reg. 33,860)
